the cost of construction of a building
for housing the local nursery school
may be sanctioned. As per the Budget
estimates for 42-43, the closing balance
is Rs 13,233, which is far below

Sir

Subject Re contribution of Rs 250/- by the Town Municipal Council Hassan for the construction of a Nurtur School building at Hassan

I have the honour to state that the Sishivihar Committee at Hassan having passed a resolution to the effect that they wished to have a separate building at a cost of Rs 7000/- requested the President Hassan Town Municipal Council for a liberal contribution. The Municipal Council having discussed the subject at length resolved to the effect that they would pay half the cost of the building and would also undertake the construction of the building the other half ~~xxx~~ of the cost being borne by Government.

2 The President in forwarding a copy of the resolution requested me to obtain sanction of Government to the resolution. As the Council have undertaken a five year programme of Town improvement works and in view of this and other commitments the papers were returned to the President for reconsideration of the resolution and to reduce the municipal quota to reasonable dimensions.

3 The Municipal Council having reconsidered their previous resolution resolved on 24-10-42 to the effect that a sum of Rs 250/- be contributed for the purpose and the President requests that necessary sanction may be obtained to pay this amount out of the closing balance of the Municipality for 42-43, as no provision

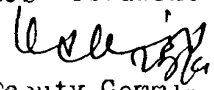

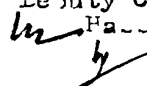

5-

provision has been made in the sanctioned budget

4 The need for a separate building for the Sishivihar is keenly felt and the philanthropic public have come forward with liberal donations and so far a sum of Rs 1 250/- has been collected. As the Hassan Town Municipal Council have resolved to pay Rs 250/- out of the closing balance of this year 1942-43 I request that necessary sanction of Government may kindly be obtained to the said resolution.

The connected records accompany for favour of reference and return
